Muzrai Secretary remarks.

There are large numbers of temples in the State which are in a dilapidated condition and it is found that the Grant of Rs 15000/- annually contributed from State funds for the repair of temples Chattrams &c, goes but a small way towards supplying the actuals requirements. Lists were called for about two years ago, of important temples in the State which required urgent repairs. Returns have been received from all the Districts except Bangalore The Lists, some of which, are not exhaustive shew the following figures: —

Bangalore - List not received

Kolar - Rs. 6163 - 0

Tumkur - 7735 - 0

Mysore - 55001 - -

GPB—3,000—22-6 06

Shimoga 6390-

Kadur 5716-0-0.

Chitaldrug 4150-0-0.

Total Rs 1,18,388-14-6.

The Total shown above is an enormous sum, and represents only the amounts required from the State grant. The amount to be met from the temple funds and from contributions from devotees are not included in the figures noted above, and the lists themselves are not complete returns. In instances the last Rs 11000 required for extension, the entire temple has not been provided for in the above and I believe there are some more important institutions similarly circumstanced.

Under the circumstances, the

best plan seems to be to sanction the grants as recommended in the forst portion of this note and resolve a Sum of Rs. 4622-1-7 for future applications.
